

NEWSLETTER 21/2010

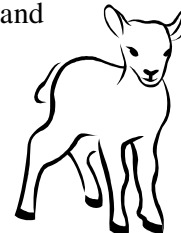

22 JULY 2010

“Ko ia kohore nei i rapu, te kitea
He who does not seek will not find
Ko te kairapu, ko ia te kite
He who seeks will find”

*“I have learned silence from the talkative, tolerance from the intolerant
and kindness from the unkind. I should not be ungrateful to those teachers”*

Kahil Gibran

- **WELCOME TO:** To the following students who are new to our school: Oliver H and Conor P, both new entrants in Room 1 and Lola A in Room 6. We look forward to learning with and from you as you move along your learning journey.
- A welcome to Mrs Anne Hallett who will be teaching in Room 7 for the rest of the year. Anne has settled in very well and we look forward to a great Term 3 & 4. I know that Anne will add much to this special place.
- **SCHOOL LUNCHESES:** A reminder that there are no school lunches for week 1 and 2 of this term.
- **AGRICULTURAL DAY:** We are now into the 3rd week of July and young lambs, goats and calves are dotted around in many paddocks. July and August are the birth months for our Ag Day animals, so if your child is having a pet you need to consider sourcing the animal soon. If you are having difficulty sourcing an animal, we will publish contact people in future newsletters. Similarly if you know of any pets that are available for adoption please let the school or Miss Dykzeul know. If you are a new family to Glenbervie School and are unsure about what Animal Handling is all about, there are Information Booklets available from the Office. There is a special booklet for each animal type (calf, lamb, goat). It is also useful to talk to other school families about their experiences
- **RED SOCK DAY:** The socks have arrived and will be given out this Thursday to those who ordered them. Those who have Red Socks will wear them this Friday in recognition of Leadership – a quality that Sir Peter Blake displayed in all he did.
- **CONGRATULATIONS:** to Letty Hamlet who came 2nd in the Under 12 girls 2.5km at the Harrier Clubs Athletics Northland Cross Country Champs on 19th June; and Lauren Kenrick (former pupil) who has been selected in the Whangarei Netball Year 7 rep team. Great effort you two!
- **SCHOOL WEBSITE:** www.glenbervie.school.nz. For a variety of reasons we have had to change our web page. This has meant a change of layout and some “re-building” needing to be done. As they say: “The website is currently under construction”. Please keep an eye on the website and if you have any suggestions please let the office know.

- **JUMPROPE 4 HEART:** This celebration on the last Thursday of Term Two was a huge success. We raised over \$620.00 for the Heart Foundation. Many thanks to all of the children who brought along donations.
- **EDALIVE COMPUTER SOFTWARE:** Families who ordered EDALIVE Computer Software have been issued with their requests today. I hope they arrived home safely. Thank you for participating in this programme.

Paul Shepherd
Principal
